PRAYER WARRIORS NEEDED!!!

GET YOUR CHURCH INVOLVED

PRAY-VOTE-STAND

"And your ancient ruins shall be rebuilt; you shall raise up the foundations of many generations; you shall be called the repairer of the breach, the restorer of streets to dwell in." ISAIAH 58:12

WHY PRAY VOTE STAND CHAPTERS?

Throughout history, Christians have embraced the call to be a salt and light influence in the public square, resulting in freedom, justice, and human flourishing for many. Today, America is facing deep spiritual and cultural challenges, and we cannot afford to step aside. Pray Vote Stand Chapters embrace this call by equipping believers to engage locally, prayerfully, and biblically, with the goal of reviving true freedom in our nation.

WHAT IS A PRAY VOTE STAND CHAPTER?

A Pray Vote Stand Chapter is a local gathering of believers of the biblical Jesus Christ, rooted in a local church, and committed to prayer, biblical engagement, and cultural impact. Pray Vote Stand Chapters will bring people together to pray for the community and government leaders, vote and influence government leaders for good, and stand for biblical truth. By doing so, Chapters can alter the spiritual climate of the community, which will in turn impact the political environment. These Chapters are helping lay a foundation for national renewal, one community at a time. Pray-Vote-Stand Chapters are an initiative of The Family Research Council (FRC.ORG).

If you want to know more about FRC then tune in to American Family Radio, 88.9FM in Macon, at 5PM daily. The FRC President, Tony Perkins, has a radio program called "Washington Watch" which is like a bloodhound legal organization that sniffs out corruption in Washington and keeps us abreast of moral issues in government. And other station locations can be found by using their web site station locator https://afr.net/station-finder/

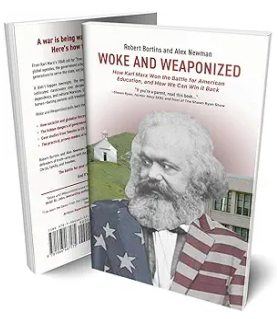

Their program line up is very good. Biblically sound apologetics, preaching, political news from a Christian perspective, Focus on the Family, programs on Christ in prophecy, etc, https://afr.net/podcasts/talk-program-lineup/
